To teach web design

GOAL

is embodied in...

Can you help me with designing the FSAB website?

Sure, what exactly do you need help with?

I'm having trouble figuring out how to bring Typekit fonts into Photoshop...

Do you mean how to bring the text into the Photoshop document and make a transparent background?

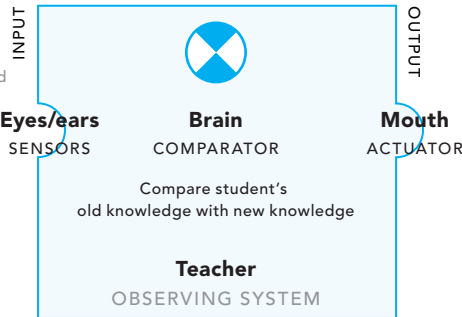

Yes, that's one thing...

OK, let me show you what to do and then you try it.

To learn web design

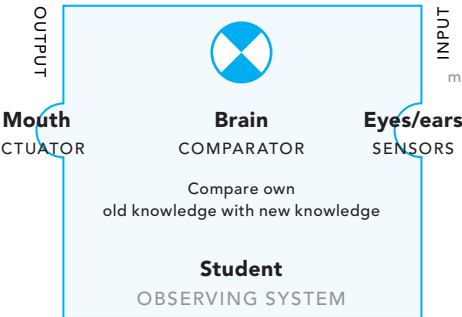

GOAL

is embodied in...

If student's OK<NK then do nothing  
If student's OK>NK then convey verbal instructions to...

If student's OK<NK then do nothing  
If student's OK>NK then pose questions to...

Goal level

Method level

To teach how to use web design software

GOAL
