Clear functionality, near invisibility and a tone whose presence is felt most once-removed – this is the essence of Seravek. Fonts of loud volume and expressive detail have a rightful place – we’ve made many ourselves – but fonts of near silence are equally intriguing and consequently very useful for complex texts. Building from this, Seravek is tailored to the demanding needs of information, editorial, and identity design where the twin forces of richness and clarity must co-exist. The resulting letters are unobtrusive, refined and imbued with a sense of forward modernity – essential for a diverse range of work in today’s environment. Knowing the display of numerical data is crucial to communication, we’ve included Lining Numerals (default) as well as...
